

The following report contains details of all players contained in our results database. Please refer to our "Events to be Included" document and "Performance Ranking Criteria" document for information on which events are included and progress to date. A full list of players contained in this database can be found in the Players list along with an ID. Each entry (result) is awarded a points value from 22 to 1 in accordance with the above documents, these are then summated in the "Overall Performance Ranking".
